The report has been copied and is ready for pick-up. Just let me know the date and I'll have it at our main reception desk.

Tom,

I am scheduled to be in the Reading PA area tomorrow to sign haz waste manifests and meet with a homeowner.

I could head over to your office in the afternoon to make a copy if that is convenient.

**Subject:** Post Remediation Report for Federal Mogul Act 2 Cleanup

Hi Tom,

An OSC, Jack Kelly who is assisting me with Federal Mogul borrowed the Post Remediation report for the Former Campion Aviation Site that you had previously sent me so that he could familiarize himself with the site. He was at a site on Saturday and someone broke into his government vehicle and stole his bag which contained the report. The information contained in the report is very valuable for the assessment we are conducting at the site. I had scanned the main body of the text but not any of the maps that were larger than normal letter size or most of the figures/attachments. I hate to ask, but is it possible that we could get another copy of the report or the parts we are missing? Jack said he could possibly drive up next Wednesday to make a copy or I could stop by later this month or early December when I'm up that way to copy it. I apologize for the inconvenience.
